

PORTABLE PAVER KIT

With a 5' to 9' adjustable mounting pole and flexible ball joints, the Paver Light can be precisely positioned for any scenario. It uses two CSWD96 LED Fixtures from Vision X that are fully adjustable to meet any angle you are looking for. The high-efficiency CUBE LEDs output 117 lumens per watt and use minimal amounts of amperage. This kit is ideal for the Paver Market and Construction Industries.

Features and Benefits:

- Dual Ball Joints Allow Fixture to be Folded Down for Compact Storage
- Utilizes two CSWS96 LED Fixtures with 180° Beam Pattern
- High-Efficiency CUBE LEDs Output 117 lumens Per Watts
- 5-9 Foot Adjustable Mounting Pole

SPECIFICATIONS

MECHANICAL

Fixture Weight:	25.85 lbs (11.73kg)
Shipping Weight:	28.03 lbs (12.71kg)
Mounting:	Adjustable Pole Mount

TECHNICAL

LED:	Cube MP1919
Raw Lumens:	21,696 lm
Effective Lumens:	14,180 lm
Wattage:	192W
Amp Draw:	1.74A @110V AC 16.0A@ 12V DC
Color Temperature:	5,000K
Operating Voltage:	110-277V AC 9-32V DC
Operating Temperature:	-40°C ~ 80°C
Lifespan:	50,000 hrs
Polarity:	Reverse Polarity Protection
Connector:	AC 12' Cord with 110V Power Plug DC 12' Cord with Deutsch 2 Pin & Pigtail

CONSTRUCTION

Housing:	Die-Cast 6061 Aluminum
Finish:	Clear
Lens:	Polycarbonate

RATINGS

EMC Emission:	(CISPR 25) Edition 3.0 (2008-03) Class 3
Ingress Protection:	IP-68, IP69K
Vibration Rating:	15.6 Grms
Warranty:	3 Years

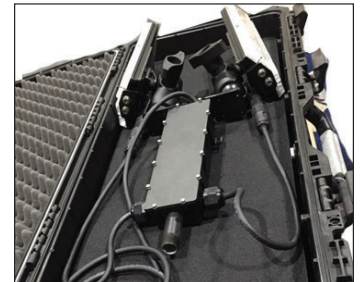

ITEM #:	PART#	BEAM PATTERN
PVR2CSWD96AC	9898384	180°
PVR2CSWD96DC	9911113	180°

Complete Folding System For Storage

The Paver Light from Vision X can be folded down into a compact unit for easy storage thanks to the dual ball joints.

KIT INCLUDES:

- 2 x CSWD96
- 1 x XPC-PS185-48 (AC only)
- 2 x Flexible Mounts
- 1 x Mounting Bracket
- 1 x Storage Case with Wheels
- 5'-9' Adjustable Mounting Pole
